We are pleased to inform you of an update to our corporate website http://www.melcogroup.com/
Under OASIS Software Systems a new Menu item Advanced Tutorial Topics has been created.
The following initial short tutorials have been updated:

1. Credit Limit Restriction
2. Warehouse module - MR Retrieval
3. CSV Import B/L Data
4. QBC - Finding any data
5. Rolodex Cleanup
6. OASIS Labels

MELCO GROUP INTERNATIONAL, INC.
